William H. Hannon Foundation Furthers Longstanding Support of Valley Family Center

August 15, 2016/Santa Monica, CA: The William H. Hannon Foundation has continued its longstanding support of the Valley Family Center in San Fernando with a $10,000 grant to support the Center's counseling and educational services for children. The Foundation has supported the Valley Family Center since its founding in 1987.

"Our support of the Valley Family Center goes way back to when my late uncle was still alive. He was proud of being a part of the San Fernando community, and our support of the Center carries on his legacy," said Kathleen Hannon Aikenhead, President of the William H. Hannon Foundation, Hannon's niece and a Board member of the Foundation since its founding in 1983.
