

Skirball Receives 10th Annual Contribution from William H. Hannon Foundation

Santa Monica, CA (November 26, 2018): The William H. Hannon Foundation has renewed its support of the Skirball Culture Center—marking a decade of annual contributions. The Foundation’s \$7,500 contribution will support Skirball Family Programs, including its well-known “Noah’s Ark”—a multi-sensory, interactive experience designed to engage, educate and inspire children and families. Family Programs at the Skirball also include: The Family Art Studio, Skirball Playdates, Family Amphitheatre Performances, Outdoor Movies, Family Festivals and Sleepovers as well as “Dig It! Archaeology Adventures and Hands on History.”

The Skirball Cultural Center is a place of meeting guided by the Jewish tradition of welcoming the stranger and inspired by the American democratic ideals of freedom and equality. The Center welcomes people of all communities and generations to participate in cultural experiences that celebrate discovery and hope, foster human connections, and call upon us to help build a more just society. Open to the public since 1996, the Skirball has established itself as one of the world's most dynamic Jewish cultural institutions and among the leading cultural venues in Los Angeles.

“The Skirball’s mission is vitally important. It is a wonderful venue that exudes love and hope. It is a place that welcomes everyone, and everyone should take the time to visit. After visiting, one is compelled to help, and our Board is privileged to help support the Skirball’s family programs,” said Kathleen Hannon Aikenhead, President of the William H. Hannon Foundation.
