

St. Monica Catholic High School Provides More Scholarships

Santa Monica, CA (March, 2011)—The William H. Hannon Foundation has provided a grant of \$20,000 to St. Monica Catholic High School for financial aid during the 2010-2011 school year. The High School is located a few blocks from the Foundation's office in Santa Monica.

"These difficult economic times continue to impact many people's financial circumstances, and affording a Catholic education has become an even tougher challenge for many of our families," says Thom Gasper, President of St. Monica Catholic Schools, adding, "The scholarship assistance provided by the William H. Hannon Foundation's significant contributions in the past has been an immense blessing to our students."

With this current grant, the Foundation will have provided \$70,000 in scholarships to the High School since 2007 in addition to providing an annual all expenses paid trip to Hawaii used to raise funds for the School.

Thom Gasper states, "The William H. Hannon Foundation is one of the best community outreach organization in our area. The fact that they are locally based and serve community schools and not-for-profit organizations is a testament to their investment in the Westside and their support of our local infrastructure."

"St. Monica's is our neighbor, and we are pleased to continue to support their educational efforts through student scholarships," says Kathleen Hannon Aikenhead, President of the William H. Hannon Foundation.
